

Hello members,

We have had a great show season so far! Thank you to Bill Klop, Mike & DeeDee Stradling and Randy & Joanne Brandt for donating their facilities to us!

Thanks also to Sue & Norm Majeau

for organizing the Coast show at Heritage Park.

Let's not forget our sponsors who help make it possible for us to keep our shows going, please patronize their businesses and thank them for their support. As always, we appreciate the efforts of those that help with turnback and other duties at the shows.

Some of our members attended a clinic with John Paul, which was held at Brandt Performance Horses in March. A great time was had by all.

Please contact one of our directors if you are interested in participating in a clinic.
